GOLD RIM

Inspired by the Scandinavian style, this collection is beautifully crafted in reactive glaze and completed with a gold rim. The elegant style gives a fresh and timeless look.

Victorian

Designed with soft edges and elegant pattern, the Victorian collection is refreshingly contemporary, reassuringly classic and traditionally crafted.

Mix & Match

These mugs are handmade on the pottery wheel, and intentionally altered to create a slightly uneven and organic shape, finished with soft and feminine patterns.

White Powder

Silky-smooth white glaze gives our clean-lined powder collection an artisanal appeal.

Jute

Inspired by traditional Japanese pottery, each delicate piece is finished by a soft tone reactive glaze that gives the ceramics its elegant, watercolor like texture.

Foliage

There is no such thing as too much nature. The foliage collection features organic shapes and detailed floral embossment to add some uniqueness to the kitchen.
